Product Name: **Back Plate: Universal**

Product Code: BPU
Weight: 0.294lb/ft (0.438kg/m)
Material: Al6063-T5

Description:

- Panel fit
- System Clip Compressible
- Screw
- Reveal Cap
- Plank fit

The **Back Plate: Universal (BPU)** anchors the AL13 Panel System® and AL13 Plank System® on to the wall substrate. It is used for both around the perimeter and along the wall, and is used at full length or as 3.25" segments. The BPU is compatible with the following top caps:

- Flat Cap (FC)
- Flat Cap: Perimeter (FCP)
- Reveal Cap (RC)
- Reveal Cap: Perimeter (RCP)

Note: Use fasteners appropriate for the substrate. Refer to the Installation Guides on al13.com for further details.

Dimensions:

1.69" (43mm)
0.93in (24mm)

1/16" Min

Leave a minimum of 1/16" gap between the edge of a perimeter (e.g., windows, doors, bump-outs) when installing the BPU.
